MAY, 1985

Hello Square Dancers!

This guide is to help you locate gay square dance clubs when you are traveling. You will note that the publication date is May, 1985. That means that there could be some changes, so it is always wise to communicate with the contact person before showing up at a location at a certain time.

All of these clubs are or are seeking to be members of the International Association of Gay Square Dance Clubs. You should find yourself right at home when participating with any of them.

A little history--just so you know. This guide was developed by me for inclusion in the membership Directory for Western Star Dancers, my home club, in 1984 and was updated for its 1985 Directory. I have used it several times when traveling and know that others have found it useful. I know that members of the Association want to keep in touch, so I have decided to make it available at a small charge. If this edition is well received, I intend to have updated editions for sale at future Annual Conventions.

I would appreciate your letting me know of any corrections and changes. There is always the possibility of expanding it to include other types of information useful to traveling members of the International Association.

You'll find my address and phone number on the inside back cover. Don't stop! Don't slow down! Keep on moving. . . .
