Travel Guide

July, 1999

Welcome to the Square Dance Travel Guide, 1999 Edition!

The definitive resource for lesbian and gay square dancers!

The effective date of this guide is September 1, 1999. This information is constantly changing, so always confirm dance schedules before any trip. While I have tried to be as thorough and accurate as possible, I apologize for the inevitable mistakes that occur.

The most up to date information that I have can always be found at the online version of the Travel Guide at <http://www.asente.com/travelguide/>

I am very pleased to be able to list several clubs that welcome gay and lesbian square dancers, but that are not gay and lesbian clubs. I know we all look forward to the day when these listing will be unnecessary, and when we will be welcome at all clubs. In the meantime please patronize these clubs and let them know that you appreciate them! If you know of other clubs that should be listed, please send me information on them so that I can include them in future guides.

I continue to be deeply indebted to Freeman Stamper, who gave so much of himself in earlier editions of the travel guide.

Updating your club's information

You can help keep the guide up-to-date by sending all updates to

Paul Asente
PO Box 490
La Honda, CA, 94020

guide@asente.com

Don't wait until next year! I update the online version of the guide whenever I receive new information, so if you want people to have access to the latest club information keep me informed.

As always, remember to:

Practice random acts of kindness

Be a giver, not a taker

Hug your partner & your corner, and really mean you care

Love one another

Search for a cooperative & forgiving spirit in your square dancing
