The latest news from  
Belles Run Philadelphia 2019

### Belle

Hi {FIRSTNAME},

*Happy New Year to all my square-dancing family.*

*It's just me, Belle, your Philly friend and ambassador of goodwill to 2019 IAGSDC Convention, Belles Run, being held right here in my home town of Philadelphia!*

*Sorry I'm late getting to you 'cause I got so much to tell youse that I'm just bursting. I missed my deadline but it's tough being a working girl around the holidays in Philly.*

*Anyways, let me get down to brass tacks here since my editor's been on my case. So my big news is that I'm teaming up with another famous Pennsylvania celeb, **Punxsutawney Phil** the Groundhog. Groundhog Day is Saturday, February 2, which is a big deal here in PA. After Phil recovers from his big day we're holding a drawing on Monday, February 4.*

*Here's the thing, OK, everybody who is **registered for the convention** before February 4 is eligible to take part in the drawing for a **FREE** Upgrade from a regular convention rate room to a suite. You don't have to have a hotel registration, yet. You just gotta be registered for the convention.*

*What I want youse to do for me is to spread the word to any and all of the other dancers in your clubs that ain't registered yet, especially the newest dancers. Tell them to get motivated and register by February 2 to have a chance. Don't forget to tell those dancers who haven't attended convention before that they can register at a special discounted rate.*

*There's a few other things I want to remind you about. On **July 3**, the day before Convention starts Oh-fficially, there's a **FULL day of dancing** at Mainstream through Challenge. You're not gonna want to miss it. It will be with all of your favorite GCA callers, all day long, in multiple halls. And that night, we'll be having our Trail's End Dance with that sexy Hunter Keller.*

*And, oh yeah, go to my website, [Philadelphia2019.com](http://Philadelphia2019.com), and check out the drawing for a masterpiece of glass art made by my pal, Katherine Cheetham, a well-known glass artist. Here's a sample of some of her work: [www.katherinecheethamglass.com](http://www.katherinecheethamglass.com). Let me tell you something, I ain't no art expert but I know what I like and I LOVE her work!*
