

# A SQUARE DANCE TRAVEL GUIDE<sup>®</sup>

JUNE

1991

## DEDICATION

JOE PETERSEN was a member of the first class of the Rocky Mountain Rainbeaus in 1984. Following the newsletter of the Rainbeaus, you will always find his name among the "doers." There is not a class or club member now or ever who will not remember Joe's name, energy, and inspiration. Not just a Rainbeau workhorse, he is a source of entertainment and laughter and is Ma Belle of the one-day-we-hope-to-be-fabulously-famous RainBelles. Having been a founding member of the Belles, Joe is truly a mother of them all.

Joe celebrated an invigorating 50 years old this year. Rainbeaus turned out in large numbers for a potluck and dance to honor this person who is "distinguished through his outlandish taste in accessories. . . , a propensity for hosting potlucks, and an uncanny ability for recruiting. . . the RainBelles." [Rainbeau Connection, March 1991]

One could define the word stability as: having the personal and professional stamina, creativity, dedication, loyalty, compassion, inspiration and ethics of Joe Petersen. "He's your friend, 'til the bitter end, even though the bitter end's a million years away!" [The Unsinkable Molly Brown, music and lyrics by Meredith Willson, 1960]

## FOREWORD

THE EFFECTIVE DATE OF THIS INFORMATION IS JUNE 1, 1991.

Gordon Goss has an ad and subscription form in this edition for the National Square Dance Directory and American Squaredance Magazine. Gordon is the editor of the Directory, and I believe a friend of the gay community. He dared in 1984 to use the word "gay" as a piece of information in the world-wide directory and has accepted the IAGSDC ad and listing as one of the major associations in the square dance community. I recommend both publications to every square dancer.

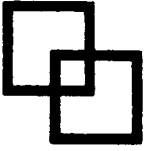

This Guide is to help you locate gay square dance clubs when you are traveling. The information is constantly changing, so it is wise to confirm dance schedules prior to your trip. Although there are other dance activities associated with square dancing, the Travel Guide is intended to encompass those activities which focus on square dance opportunities that are open to all who know the Callerlab format.

While I have attempted to be as thorough and accurate as possible in the presentation of this data, I apologize for any mistakes.

THE CONTENTS OF THIS GUIDE ARE COPYRIGHTED BUT MAY BE REPRODUCED IN WHOLE OR IN PART WITH APPROPRIATE CREDIT TO THE SOURCE.

# **Are You a Square Dancer?**

**Then These are the Publications for You**

## **National Square Dance Directory & American Squaredance Magazine**

These are the two leading publications of the square dance activity. Gay square dance club listings are included in the **NATIONAL DIRECTORY** and additional gay club listings are welcome. The International Association of Gay Square Dance Clubs is a regular advertiser in the **DIRECTORY**.

### **NATIONAL SQUARE DANCE DIRECTORY**

The **DIRECTORY** has many features helpful to dancers besides the over 10,000 club listings in the U.S., Canada and overseas. The club listings include type of club, dance schedules and a contact's address and phone number. There is information about apparel, footwear, jewelry, resorts and other square dance related products and services. Sections on travel, sewing & crafts, festivals, conventions, callers, publications and organizations add to its usefulness.

### **AMERICAN SQUAREDANCE MAGAZINE**

There are twelve monthly issues of the most widely read magazine in square dancing. All the square dance news along with feature articles and reviews on choreography, music, apparel, travel and much, much more.
